

PROFF WOODCARE LACQUER CARE

www.proffwoodcare.com

AREAS OF APPLICATION:

Lacquer Care is used for repair of minor scratches on lacquered floors and to bring back the low or high gloss of the floor. It may also be used on laminate and vinyl surfaces and adds protection to the surface and at the same seals any gaps in the joints.

APPLICATION OF MATERIAL:

Clean the surface with Proff Woodcare Intensive Wood Cleaner first. After drying, Lacquer Care can be applied. Apply with mop or lint free cotton cloth. Apply without leaving any overlaps during application.

FINISH:

Proff Woodcare Lacquer Care brings back the beauty of lacquered floors and makes the surface more durable and wear resistant.

- * Repairs minor scratches on the floor
- * Use as often as necessary to maintain the lacquer in good condition
- * Suitable for all light and dark oiled wood species
- * Contain only natural components and is VOC free

- For extra protection of lacquered floors
- Leaves an invisible film on the surface
- Ensures healthy living environment

HOW TO DO

Proff Woodcare Lacquer Care is revitalising any kind of lacquered floor and offers additional protection of the surfaces. Lacquer Care may also be used for laminate and vinyl floors. It removes small scratches and gives a hard wearing surface after application. It does not build up on the surface and is therefore ideal for bringing back gloss to the lacquered floor.

Work Instruction:

1. Before application, clean the floor with Proff Woodcare Intensive Wood Cleaner and leave the floor to dry.
2. Shake container well before use. Apply a thin layer of Lacquer Care to the floor. Should the cloth get dirty during application, just rinse out and continue. Make sure that Lacquer Care is applied evenly and do not re-apply unless some areas were missed. Apply and polish in same process.
3. Leave to dry for around 30 minutes.
4. For regular cleaning, use Proff Woodcare Lacquer Soap.

Disposal: Empty containers and product residue disposed of according to regional rules and regulations.
